

PRIX PUBLIC NOVEMBRE 2025 ( € )

|                                | Description   | Prix  | Options                      |
|--------------------------------|---|-------|------------------------------|
| → Sources                      |   | 1 900 |                              |
| <b>DIGINET Streamer</b>        | Streamer Transport file formats, MP3, MP4, MKV, AAC, APE, AIFF, ASF, Vorbis, Opus, PCM, WMA, WAV, AC3, FLAC, ALAC, APER, and WavPack. | 2 950 |                              |
| <b>DIGITUBE S192</b>           | Pure Class A Tube DAC UNBALANCED, 5 inputs, Word clock  | 3 510 |                              |
| <b>CDP-603</b>                 | Front loading tube CD player  | 3 510 |                              |
| <b>CDP-707</b>                 | Top loading tube CD player <b>without Power Supply</b>  | 4 410 | Side panels included         |
| <b>PSU 3</b>                   | Standard Power Supply   | 1 260 | Options: Side panels + 150 € |
| <b>PSU 7T</b>                  | Super Power Supply for CDP 7T, including power filter   | 3 510 | Options: Side panels + 150 € |
| <b>PSU-DGC</b>                 | Standard Power Supply   | 1 410 |                              |
| <b>PSU-D 192</b>               | Super Power Supply for Digiocode, including power filter  | 3 600 |                              |
| <b>DIGICODE S-192</b>          | Pure Class A Tube DAC, BALANCED, 192/24, 5 inputs, Word Clock, display, spdif out, USB asym Hres, <b>without Power Supply.</b>        | 8 610 | Side panels included         |
| <b>DIGICODE 704/2</b>          | Pure Class A Tube DAC, BALANCED, 192/24, 3 inputs, spdif out, AES <b>without Power Supply.</b>  | 3 210 | Side panels included         |
| <b>DIGIDRIVE TL3 + PSU-DTL</b> | Top loading CD transport with external Power Supply DTL <b>without Power Supply.</b>  | 3 810 | Side panels included         |
| <b>PSU-DTL</b>                 | Power supply for Digidrive  | 1 350 |                              |
| → Phono Stages                 |   |       |                              |
| <b>MC-Amp</b>                  | MC tube step-up   | 1 650 |                              |
| <b>Phono-amp-mm MK2</b>        | Tube riaa preamplifier at one chassis   | 2 970 | Options: Side panels x 2     |
| <b>Phono-amp-system</b>        | Tube mm/mc two inputs with separate power supply unit   | 5 310 | Options: Side panels x 4     |
| <b>Fonix</b>                   | Solid State Phono RIAA preamplifier two inputs MM/MC  | 2 550 | Options: Side panels + 150 € |
| → Integrated Amplifiers        |   |       |                              |
| <b>ZAX-70</b>                  | Integrated amplifier 60 W x 2 (solid state) + RC  | 1 800 |                              |
| <b>ZXT-70</b>                  | MOSFET hybrid 60W x 2 + RC  | 3 300 |                              |
| <b>ZAX-120 NEW</b>             | Integrated amplifier 120 W x 2 (solid state) + RC   | 3 810 | Options: Side panels + 150 € |

→ **Preamp / Power Amp**

|                           |   |       |                              |
|---------------------------|---|-------|------------------------------|
| <b>ZOE</b>                | Line tube preamplifier + RC                               | 3 300 | Options: Side panels + 150 € |
| <b>ZOE Concept Studio</b> | Line tube preamplifier + RC + Power Supply                | 5 100 | Side panels included         |
| <b>ZOR</b>                | Line tube preamplifier + RC                               | 2 550 | Options: Side panels + 150 € |
| <b>ZUM-H-XLR</b>          | Solid State Headphone Amp & Passive Preamp                | 3 810 | Options: Side panels + 150 € |
| <b>VM-200</b>             | Hybrid power amplifier 100 W x 2 (tube+mosfet)            | 4 710 | Side panels included         |
| <b>VM-200-M</b>           | Hybrid Mono power amplifier 120 W x 2 (tube+mosfet), pair | 9 600 | Side panels included         |
| <b>Z-100</b>              | Stereo Bipolar Power Amplifier                            | 2 865 | Options: Side panels + 150 € |

→ **Power Filter**

|                             |               |       |                              |
|-----------------------------|---------------|-------|------------------------------|
| <b>EDISON 230</b>           | Power filter  | 2 070 | Options: Side panels + 150 € |
| <b>GROUNDING BOX Mod. 1</b> | Grounding Box | 4 500 |                              |

→ **Options**

|                      |   |     |  |
|----------------------|---|-----|--|
| <b>RCH-1</b>         | Remote Control Standard   | 150 |  |
| <b>RCH-X</b>         | Remote Control Alumium  | 233 |  |
| <b>C-Wood</b>        | Pair of genuine wood side panel cherry finish for all products          | 300 |  |
| <b>C-Black Plexi</b> | Pair of black plexiglass side panels for all products                   | 300 |  |
| <b>S-SPIDF</b>       | Digital coaxial output module SPDIF for CDP06/CDP707                    | 195 |  |
| <b>S-Toslink</b>     | Digital optical output module TOSLINK for CDP707/Digidrive              | 195 |  |
| <b>S-AES EBU</b>     | Digital coaxial output module AES-EBU (balanced out) for CDP707         | 195 |  |
| <b>S-ST2Pro Out</b>  | Digital optical output module ST-II professional for Digidrive/CDP707   | 615 |  |
| <b>Toslink IN</b>    | Digital optical Input module Toslink for Digitube / Digicode            | 330 |  |
| <b>S-ST2Pro IN</b>   | Digital optical Input module ST-II professional for Digitube / Digicode | 660 |  |
| <b>HTD</b>           | "home theater direct" module for ZOE/ZOR preamplifier                   | 195 |  |
